In April 2015 Public Sector Audit Appointments Ltd (PSAA) issued ‘Statement of responsibilities of auditors and audited bodies 2015-16’. It is available from the Chief Executive of each audited body and via the PSAA website (www.psaa.co.uk)

The Statement of responsibilities serves as the formal terms of engagement between appointed auditors and audited bodies. It summarises where the different responsibilities of auditors and audited bodies begin and end, and what is to be expected of the audited body in certain areas.

The ‘Terms of Appointment from 1 April 2015’ issued by PSAA sets out additional requirements that auditors must comply with, over and above those set out in the National Audit Office Code of Audit Practice (the Code) and statute, and covers matters of practice and procedure which are of a recurring nature.

This Annual Audit Letter is prepared in the context of the Statement of responsibilities. It is addressed to the Members of the audited body, and is prepared for their sole use. We, as appointed auditor, take no responsibility to any third party.

Our Complaints Procedure – If at any time you would like to discuss with us how our service to you could be improved, or if you are dissatisfied with the service you are receiving, you may take the issue up with your usual partner or director contact. If you prefer an alternative route, please contact Steve Varley, our Managing Partner, 1 More London Place, London SE1 2AF. We undertake to look into any complaint carefully and promptly and to do all we can to explain the position to you. Should you remain dissatisfied with any aspect of our service, you may of course take matters up with our professional institute. We can provide further information on how you may contact our professional institute.

Executive Summary

Executive Summary

We are required to issue an annual audit letter to East Sussex Fire Authority (the 'Authority') following completion of our audit procedures for the year ended 31 March 2016.

Below are the results and conclusions on the significant areas of the audit process

Area of Work	Conclusion
Opinion on the Authority's: ▶ Financial statements	Unqualified – the financial statements give a true and fair view of the financial position of the Authority as at 31 March 2016 and of its expenditure and income for the year then ended
▶ Consistency of other information published with the financial statements	Other information published with the financial statements was consistent with the Annual Accounts.
Concluding on the Authority's arrangements for securing economy, efficiency and effectiveness	We concluded that you have put in place proper arrangements to secure value for money in your use of resources.

Area of Work	Conclusion
Reports by exception: ▶ Consistency of Governance Statement	The Governance Statement was consistent with our understanding of the Authority.
▶ Public interest report	We had no matters to report in the public interest.
▶ Written recommendations to the Authority, which should be copied to the Secretary of State	We had no matters to report.
▶ Other actions taken in relation to our responsibilities under the Local Audit and Accountability Act 2014	We had no matters to report.

Area of Work	Conclusion
Reporting to the National Audit Office (NAO) on our review of the Authority's Whole of Government Accounts return (WGA).	The Authority is below the specified audit threshold of £350 million. Therefore, we did not perform any audit procedures on the consolidation pack.

As a result of the above we have also:

Area of Work	Conclusion
Issued a report to those charged with governance of the Authority communicating significant findings resulting from our audit.	Our Audit Results Report was issued on 15 September 2016.
Issued a certificate that we have completed the audit in accordance with the requirements of the Local Audit and Accountability Act 2014 and the National Audit Office's 2015 Code of Audit Practice.	Our certificate was issued on 15 September 2016.

We would like to take this opportunity to thank the Authority's staff for their assistance during the course of our work.

Purpose

Purpose

The Purpose of this Letter

The purpose of this annual audit letter is to communicate to Members and external stakeholders, including members of the public, the key issues arising from our work, which we consider should be brought to the attention of the Authority.

We have already reported the detailed findings from our audit work in our 2015/16 Audit Results Report to the 15 September 2016 Scrutiny & Audit Panel, representing those charged with governance. We do not repeat those detailed findings in this letter. The matters reported here are the most significant for the Authority.

Responsibilities

Responsibilities

Responsibilities of the Appointed Auditor

Our 2015/16 audit work has been undertaken in accordance with the Audit Plan that we issued on 12 May 2016 and is conducted in accordance with the National Audit Office's 2015 Code of Audit Practice, International Standards on Auditing (UK and Ireland), and other guidance issued by the National Audit Office.

As auditors we are responsible for:

- ▶ Expressing an opinion:
 - ▶ On the 2015/16 financial statements; and
 - ▶ On the consistency of other information published with the financial statements.
- ▶ Forming a conclusion on the arrangements the Authority has to secure economy, efficiency and effectiveness in its use of resources.
- ▶ Reporting by exception:
 - ▶ If the annual governance statement is misleading or not consistent with our understanding of the Authority;
 - ▶ Any significant matters that are in the public interest;
 - ▶ Any written recommendations to the Authority, which should be copied to the Secretary of State; and
 - ▶ If we have discharged our duties and responsibilities as established by thy Local Audit and Accountability Act 2014 and Code of Audit Practice.

Alongside our work on the financial statements, we also review and report to the National Audit Office (NAO) on you Whole of Government Accounts return. The Authority is below the specified audit threshold of £350 million. Therefore, we did not perform any audit procedures on the return.

Responsibilities of the Authority

The Authority is responsible for preparing and publishing its statement of accounts accompanied by an Annual Governance Statement (AGS). In the AGS, the Authority reports publicly each year on how far it complies with its own code of governance, including how it has monitored and evaluated the effectiveness of its governance arrangements in year, and any changes planned in the coming period.

The Authority is also responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources.

Financial Statement Audit

Financial Statement Audit

Key Issues

The Authority's Statement of Accounts is an important tool for the Authority to show how it has used public money and how it can demonstrate its financial management and financial health.

We audited the Authority's Statement of Accounts in line with the National Audit Office's 2015 Code of Audit Practice, International Standards on Auditing (UK and Ireland), and other guidance issued by the National Audit Office and issued an unqualified audit report on 15 September 2016.

Our detailed findings were reported to the 15 September 2016 Scrutiny & Audit Panel.

The key issues identified as part of our audit were as follows:

Significant Risk	Conclusion
<p>Management override of controls</p> <p>A risk present on all audits is that management is in a unique position to perpetrate fraud because of its ability to manipulate accounting records directly or indirectly, and prepare fraudulent financial statements by overriding controls that otherwise appear to be operating effectively.</p> <p>Auditing standards require us to respond to this risk by testing the appropriateness of journals, testing accounting estimates for possible management bias and obtaining an understanding of the business rationale for any significant unusual transactions.</p>	<p>We obtained a full list of journals posted to the general ledger during the year, and analysed these journals using criteria we set to identify any unusual journal types or amounts. We then tested a sample of journals that met our criteria and tested these to supporting documentation.</p> <p>We considered accounting estimates most susceptible to bias and reviewed their reasonableness.</p> <p>We have not identified any material weaknesses in controls or evidence of material management override.</p> <p>We have not identified any instances of inappropriate judgements being applied.</p> <p>We did not identify any other transactions during our audit which appeared unusual or outside the Authority's normal course of business</p>

Other Risks

Conclusion

GAD v Milne

In May 2015 the Pension Ombudsman, an independent organisation that investigates complaints about pension administration, published Mr Milne's determination for the Firefighters' Pension Scheme regarding commutation factors. The Pension Ombudsman ruled that Government Actuary's Department (GAD) failed to review commutation factors within the firefighters' pension scheme.

The Ombudsman ordered that a new commutation factor be prepared as if a factor review had been carried out in December 2004.

The Authority has determined the additional payments required. The sum of these payments is estimated to be £933k.

We reviewed and tested the Authority's arrangements for ensuring the accuracy and completeness of compensation

We re-performed the calculation of compensation for a sample of payments, including assessment of the accuracy of input and reviewed the associated disclosures in the financial statements to ensure compliance with the Code of Practice on Local Government Accounting, and appropriate accounting standards.

The Authority has calculated and accounted for the associated transactions in line with Code of Practice on Local Government Accounting, and appropriate accounting standards.

We did not identify any matters that we need to bring to your attention.

Value for Money

Value for Money

We are required to consider whether the Authority has put in place 'proper arrangements' to secure economy, efficiency and effectiveness on its use of resources. This is known as our value for money conclusion.

Proper arrangements are defined by statutory guidance issued by the National Audit Office. They comprise your arrangements to:

- Take informed decisions;
- Deploy resources in a sustainable manner; and
- Work with partners and other third parties.

We issued an unqualified value for money conclusion on 15 September 2016.

Our audit did not identify any significant matters in relation to the Authority's arrangements.

Other Reporting
Issues

Other Reporting Issues

Whole of Government Accounts

The Authority is below the specified audit threshold of £350 million. Therefore, we did not perform any audit procedures on the consolidation pack.

Annual Governance Statement

We are required to consider the completeness of disclosures in the Authority's Annual Governance Statement, identify any inconsistencies with the other information of which we are aware from our work, and consider whether it is misleading.

We completed this work and did not identify any areas of concern.

Report in the Public Interest

We have a duty under the Local Audit and Accountability Act 2014 to consider whether, in the public interest, to report on any matter that comes to our attention in the course of the audit in order for it to be considered by the Authority or brought to the attention of the public.

We did not identify any issues which required us to issue a report in the public interest.

Written Recommendations

We have a duty under the Local Audit and Accountability Act 2014 to designate any audit recommendation as one that requires the Authority to consider it at a public meeting and to decide what action to take in response.

We did not identify any issues which required us to issue a written recommendation.

Objections Received

We did not receive any objections to the 2015/16 financial statements from member of the public.

Other Powers and Duties

We identified no issues during our audit that required us to use our additional powers under the Local Audit and Accountability Act 2014.

Independence

We communicated our assessment of independence in our Audit Results Report to Scrutiny & Audit Panel on 15 September 2016. In our professional judgement the firm is independent and the objectivity of the audit engagement partner and audit staff has not been compromised within the meaning regulatory and professional requirements.

Control Themes and Observations

As part of our work, we obtained an understanding of internal control sufficient to plan our audit and determine the nature, timing and extent of testing performed. Although our audit was not designed to express an opinion on the effectiveness of internal control, we are required to communicate to you significant deficiencies in internal control identified during our audit.

It is the responsibility of the Authority to develop and implement systems of internal financial control and to put in place proper arrangements to monitor their adequacy and effectiveness in practice. Our responsibility as your auditor is to consider whether the Authority has put adequate arrangements in place to satisfy itself that the systems of internal financial control are both adequate and effective in practice.

We have not identified any significant deficiencies in the design or operation of an internal control that might result in a material misstatement in your financial statements.

Area	Issue	Impact
EU referendum	<p>Following the majority vote to end the UK’s membership of the European Union (EU) in the EU Referendum held on 23 June 2016 there is a heightened level of volatility in the financial markets and increased macroeconomic uncertainty in the UK.</p> <p>All three major rating agencies (S&P, Fitch and Moody’s) took action on the UK Sovereign credit rating and, following the rating action on the UK Government.</p> <p>For entities in the public sector, there is likely to be an impact on investment property valuations if confidence in the wider UK property market falls; and the valuation of defined benefit pension obligations may also be affected.</p> <p>It is too early to estimate the quantum of any impact of these issues, but there is likely to be significant ongoing uncertainty for a number of months while the UK renegotiates its relationships with the EU and other nations.</p>	<p>Many of the issues and challenges that face the UK public sector will continue to exist, not least because continued pressure on public finances will need responding to. Additionally it may well be that the challenges are increased if the expected economic impacts of the referendum and loss of EU grants outweigh the benefits of not having to contribute to the EU and require even more innovative solutions.</p>
